Innovation Expert Eray Tüzün

Course Instructed by Erhan Dolak and Tağmaç Topal

May 19th, 2023

This report is submitted to the Department of Computer Engineering of Bilkent University in partial fulfillment of the requirements of the Senior Design Project course CS491/2.

Important Acknowledgement:

On our final process meeting with Mr. Erhan Dolak (on the 10th of May), we received the “Bonus”. Hence, Mr. Dolak approved that we can upload only a cover page for the final report. The received bonus can be checked from the following link:
